12h30	14h00	<b>End of the congress Buffet</b>	

# Conference venue

- CNAM-IFMI building, in the Futuroscope area

## Possibility of PROMETEE laboratory visit

PROMETEE is a research support technical platform of the PPRIME Institute. Its specific infrastructure in terms of air treatment, sound insulation, cooling, laser metrology, secure access allows the development of original experimental installations requiring rigorous safety conditions (intense noise, high pressure or temperature, explosive atmosphere), safety (confidentiality, ZRR) and environmental protection.
